3. Enter your email and click start registration

The screenshot shows the registration page for Tungsten Network. At the top, there is the Tungsten Network logo and a language dropdown menu set to "English". The main heading is "THE SMARTER WAY TO GET PAID" with the subtext "Join the world's largest compliant business transaction network". Below this, a prompt says "Select account type and enter your email". There are two radio button options: "BUSINESS" (with a grid icon) and "SOLE TRADER" (with a person icon). An email address "tng\_test@yahoo.com" is entered in the text field. A blue "START REGISTRATION" button is positioned below the email field. At the bottom, there is a promotional message: "Once registered, you will automatically receive 52 FREE transactions!" followed by a "LEARN MORE" link and a "Sign in" link for existing users.

4. Select your country and enter the name of your business. If your company does not appear in the dropdown select enter details manually

10. You must now set up for two-factor authentication. Enter a mobile number and click send code via SMS. If you do not have a mobile, click on Don't have a mobile device so you can receive your code via email. It is highly recommended you enter a mobile device

The screenshot shows a web interface for setting up two-step sign-in. At the top, there is a blue circular logo with a white 'Y' shape inside, followed by the text 'TUNGSTEN NETWORK'. Below this is a green notification bar with a checkmark icon and the text 'Your email has been successfully verified!' and a close 'x' icon. The main heading is 'SET UP 2-STEP SIGN IN'. Below the heading is the instruction: 'Enter your mobile number to receive a verification code via SMS to set up 2-step sign in.' There are two input fields: 'Country code' with a dropdown menu showing 'Select' and a red underline, and 'Mobile number' with the text '01234 000 000' and a grey underline. Below the input fields is a blue link: 'Don't have a mobile device?'. Underneath the link is the text: 'We recommend using a mobile device, so only use this method if you don't have access to one.' At the bottom of the form is a large grey button with the text 'SEND CODE VIA SMS'.
